

PECO Tree and Vegetation Management Spring 2025

PECO contractors Asplundh will perform vegetation management - trimming and removal - on its electric distribution system to maintain electric reliability. Asplundh will begin work in the Borough on or about April 8, 2025.

Work will occur along streets that are shown in red on the above map throughout the Spring of 2025. Asplundh will remove any vegetation debris created by this work. Asplundh will be contacting customers where and when work is being performed. If you have any questions please reach out to the contact information listed on the notice or manager@boroughofnewtown.com
